IN MEMORY OF MY DAD

Dear Dad,

As I sit here my heart aches.....and my mind races through the memories, the good times we've shared, that big smile of yours, and the wonderful things you did for me. If I could turn the hands of time and send it whirling, maybe then all of my problems would be solved. You would be here, and there would not be any need for all of this. I've known you all my life, you taught me how to be a man and I can honestly say that I am your number one fan. You did a great job as a husband and father, you surpassed my expectation by miles. You have children and grandchildren to carry on the tradition of that big smile. So you be at rest Dad, because everything is okay. We will all be in God's mansion and we will see each other some day.

IN MEMORY OF MY DAD

Dear Dad,

As I sit here my heart aches... and my mind
traces through the memories, the good times
we've shared, that big smile of yours, and
I can't help but think of the things you did for me.
If I could turn the hands of time and send it
back, maybe then all of my problems
would be solved. You would be here, and
I wouldn't need to be any more for all of this.
I've known you all my life, you taught me
how to be a man and I can honestly say that
I am your number one fan. You did a great
job of raising me and I hope you are proud of
me. You have children and
grandchildren to carry on the tradition of that
big smile. So you be at rest Dad, because
we will all be in God's
arms again and we will see each other some day.

Love,
Your son,

John
